Devon County Council have advised the following
These jobs have been issued, but they are still outstanding with our contractor.
There are numerous difficulties with resource and supplies at the moment and we are seeing delays in some areas. We can only apologise for the inconvenience caused by any delays; our contractor is aware and will attend as soon as resources are available.
11. Composting Project & SMASH Update:
SMASH are due to hold a meeting on 4th March at which they will vote to act independently of the respective Parish Councils for the smaller projects that don't require and to request support as/when required for larger projects. The group are aware of the pros and cons of this course of action, the outcome of their meeting will be discussed in March.

South Huish Parish Council have recently confirmed support for a potential composting site in either Malborough or South Huish parish. Emma Gray will be undertaking the April compost training organised by Sustainable South Hams.
12. The parish is signed up to the Road Warden Scheme, two members (across the four parishes) have undertaken the initial training, we now await dates for the Chapter 8 training. Following successful completion of this we will be able to order the tarmac etc required subject to Devon County Council approval.
13. Village Hall report (Cllr Prowse attending). The minutes from the meeting on 14th February have been circulated to the Councillors.
14. The Post Office have not yet replaced the post box on Collaton road.
