

Malborough Parish Council
APPENDIX C July 2021
Feoffees Report for 2021

Malborough Feoffees appeal to Students & Mature Residents

Malborough Feoffees is the second oldest charity in Devon (1573) and one of the eighty earliest to be found in England and Wales.

It once owned a large number of properties in Higher and Lower Town and the Square as well as in Salcombe and outlying hamlets.

It was set up to help the poor as well as investing in education and the parish church.

Now most properties have been sold and the proceeds invested with the interest being used annually to help people.

This year we were able to help fund 11 emergency alarms and 5 students in Higher Education.

Do you know of any students or mature residents who could benefit?

Please contact Gill Boyce on 01548 561698 with enquiries.
