

Malborough Parish Council

Explanation to Section 1 Annual Governance Statement

Box 4, response of “No”

Malborough Parish Council inadvertently did not comply with Regulation 15 of period for the exercise of public rights as we gave less than 30 consecutive working days in length. As a result, we had to answer “No” to Assertion 4 of the Annual Governance Statement for 2021/22 and will ensure that proper provision for the exercise of public rights is made during 2022/23
